## STAGE 2

## STAGE 3

At Swallowcliffe it is the aim of all staff members to make our school, a safe place to visit, work in, and to learn in. We believe that when all members of the school community use our school values – **Respect, Achievement, and Honesty**, together we can create a safe environment.

The school community is made up of;

- Parents/ Caregivers
- Staff
- Children

In managing Parent/ Caregiver complaints at the school we expect that no adult will approach any member of the school community in a threatening or verbally abusive way.

**IF ANY ADULT IS THREATENING OR VERBALLY ABUSIVE TO ANY;**

Parent/ Caregiver, Staff member, or Child on site, **the school will make a report to the Regional Office & or the Police.** Matters of this nature are considered serious and put the safety of all members of the school at risk.

Following the school's report, DECD Legal & Risk will advise the school, in writing a letter of '**Limited Access To The School**', to be addressed to the adult/s that have been threatening or verbally abusive. The limited access will be in place, until a meeting with the Principal &/or the Regional Director has occurred, to resolve the situation.

At Swallowcliffe Primary we value open and honest communication. We believe that positive partnerships with our Parents & Caregivers is essential in providing a safe, positive, friendly learning environment that is focused on improving learning outcomes for our students.

**WE SINCERELY APPRECIATE YOUR POSITIVE SUPPORT IN ASSISTING US IN RESPONDING TO YOUR QUESTIONS AND CONCERNS.**

Following appropriate procedures for working through your issues and concerns allows us to provide the best service possible to you and your child

If the adult/s that have been threatening or verbally abusive to a member of the school's community refuses to be present at a meeting or is unwilling to work in a respectful manner with the school, then the school may seek advice through DECD, Legal & Risk to seek a **3mth Prohibition Order**, where by the adult/s will be unable to enter any area of the school.

In this event arrangements would be made for the dropping off and picking up of children in the adults care.
